Largest Circulation.—THE DAILY NEWS BEING THE NEWSPAPER OFFICIALLY RECOGNIZED AS HAVING THE LARGEST CIRCULATION IN THE CITY OF CHARLESTON, PUBLISHES THE LIST OF LETTERS REMAINING IN THE POSTOFFICE AT THE END OF EACH WEEK, ACCORDING TO THE PROVISIONS OF THE NEW POSTOFFICE LAW.

CHEAP ADVERTISING.

THE CHARLESTON NEWS, the circulation of which is about twice as large as that of any other paper published in South Carolina, is the best advertising medium for all business men. For persons who want situations or servants; who want houses or apartments, or have them to rent; who want or who offer board and lodging; who have lost or found articles of value, THE NEWS has no equal; and in order that all classes may have their wants supplied, we have adopted the following scale of CHEAP ADVERTISEMENTS, payment for which must invariably be made when the order is given:

Advertisements of situations wanted by or offered to clerks, governesses, tutors, workmen, mechanics, house-servants, porters, shopboys, cooks and waiters; board and lodging wanted or offered; apprentices wanted or offered; articles lost or found; houses, shops, offices and warehouses wanted or to let, and miscellaneous wants of all kinds.

For each insertion of advertisements of the classes specified:

Not exceeding THREE LINES or 30 words.....35 cents
FOUR LINES or 30 words.....40 "
FIVE LINES or 40 words.....50 "

All advertisements to be inserted at these rates must be prepaid and delivered at THE NEWS office by 9 P. M.

A WORD TO MERCHANTS.—If you want job printing done at very cheap rates, call at THE NEWS JOB OFFICE. Business cards \$3 and upwards per thousand.

THE DROP CURTAIN for the new Opera House, we learn, will be quite a handsome work of art. It is being painted by the accomplished scenic artist of Booth's Theatre, New York, and will cost one thousand dollars.

SENT TO JAIL.—The negro, David Robinson, who was arrested upon the charge of stealing a watch from No. 11 Wentworth street, had an examination yesterday. He was committed to jail to await trial before the State Court.

THROW BOMBS.—Yesterday morning a portion of the scaffolding around the Pavilion Hotel broke from the weight of a colored man, named George Provost, who fell to the pavement, a distance of fifteen feet, and broke his thigh. He was carried to the hospital.

RAN OFF THE TRACK.—Four cars of a freight train on the Northeastern Railroad ran off the track at Whitefield's still yesterday. One car was badly damaged. A defective switch gate was the cause of the accident, which only caused a delay of about an hour and a half to the passenger trains.

ASA HARTS.—The humorous and poetical works of Major McKnight, better known as "Asa Harts," are to be published in book form, by subscription, at \$1.50 a copy. The volume will contain 150 pages and be well bound. Major McKnight was a faithful soldier during the war, and confided in the Confederate army the seeds of the disease which not long since carried him to the grave. As a humorous writer, Asa Harts bore a high reputation, and many of our citizens will doubtless desire to possess a memento of a gallant and unfortunate Southerner. Mr. H. H. DeLoach will receive the names of subscribers at his office in Broad street.

INDEPENDENT AS A WOODSMAN and his clerk, in a phrase as familiar as "household words," if not more so. The independence of this class of workmen is shown in the following petition to Council from thirty-four wood-sawyers of this city, who agree to ask that honorable body "to require that all persons who saw wood in the city shall take out a license, and any person that saws wood without a license must pay a fine. And they ask also that the price of sawing wood be fixed according to the number of cuts. The price we charge, and which is cheerfully paid by all honest people in this town, is one dollar for one cut, two dollars for two cuts, and so on. We make the petition respectfully, as we think we have a right to do it, and hope you will grant it, as it is nothing but just."

DEATH OF MORTALITY.—For the following return of deaths in the city for the week ending Saturday last, we are indebted to Dr. Leiby, the City Registrar: Whites—male adults two, female two; children, males three, females none. Total whites seven. Blacks—male adults five, females three, male children five, female five. Total blacks eighteen. Total number of whites and blacks (twenty-five). The ages of those who died are appended: Under one year seven, between one and five years five, between five and ten years none, between ten and twenty years one, between twenty and thirty years two, between thirty and forty years three, between forty and fifty years none, between fifty and sixty years two, between sixty and seventy years one, between seventy and eighty years two, between eighty and ninety years two, between ninety and one hundred years none, over one hundred years none.

A LATE SIGHT AT KALAMAZO MESA.—The Angles to Constitution, of yesterday, says: "On Saturday last Freeman Powell, who was killed out of Edgefield last a few days since, when he had been confined for an unprovoked attack upon Mr. Woolly, of Greenville, visited Kalamazo, and while intoxicated, fired twice upon a negro man with a pistol without provocation, when the pistol was taken from him by the negro and handed over to Mr. Stone, father-in-law of Mr. Powell, who resides at that place. Powell, going soon after to the house of Mr. Stone, got possession of the pistol again, and demanded something to eat of Mr. Stone, with the threat that if she did not comply with his demand he would shoot her, and immediately carried it into execution. The whole taking place, passed through our hands of Mr. Stone and lodged in his hands. It is hoped that this dangerous outlaw will soon be returned to his proper quarters."

MEETING OF COUNCIL.

The Penalty of not Allowing Darkey Aldermen to take a Drink Like other People.—The City Printing—Alderman Small and the Woodsawyers.

An extra meeting of the City Council was held last evening, at which were present, the Mayor, Aldermen Collins, T. J. Mackey, Cunningham, Voigt, Goddings, white; Brown, Hampton, E. P. Wall, Holloway, Small, McKinlay, L. F. Wall, colored.

The members were summoned to attend at 7 o'clock, but the Mayor did not take his seat and call the meeting to order until nearly 8 P. M.

PETITIONS.

Petition of Mrs. John Mahoney was referred to the Committee on Buildings.

Petition of F. E. Knease was referred to the Committee on Licenses.

Petition of Uley & Kenyon was referred to the Committee on Licenses.

Petition of wood-sawyers was received as information.

Petition of the ex-messenger of Council, requesting payment for services as such, was referred to the Committee on Retrenchment and Relief.

The Committee on Ways and Means reported favorably upon the petition of C. Dupont, and requested that the treasurer be ordered to pay the amount. The report was adopted.

A communication from Captain Hendricks reporting that the house at the Potter's Field needed repairs, and requesting that the repairs be made at once, was referred to the Committee on Buildings.

A report from Dr. Leiby, showing the condition of the inmates of the Old Folks' Home, was referred to the Committee on Public Buildings.

A communication from Dr. Leiby, notifying Council that the buildings at the quarantine station would be completed next week, and stating that the Governor had requested Council to take charge of them until the meeting of the Legislature, was referred to the Committee on Quarantine and Lazaretto.

The Committee on Licenses reported favorably upon the petitions of J. F. & Co., J. L. Quakenbush, & Haster, F. S. Hawkins, J. C. Doehner, and — & Wirtz, all of which were accepted.

Alderman Mackey moved that the report of the Committee on Licenses upon the petition of J. Walburn be reconsidered. Adopted.

The Alderman then moved that the application of Walburn to have the license of Stelling & Walburn transferred to him be laid upon the table, which was also adopted.

An explanation of the reason for these motions being asked for by Alderman Voigt, Alderman Mackey said that he had, upon the highest authority, the information that on last Friday evening, three gentlemen, two of whom were Aldermen (Hampton and E. P. Wall), entered the establishment of Mr. Walburn and called for refreshments; that after considerable time the refreshments were sent at double the expense usually charged, this being done only because of their color; that afterward while these gentlemen were sitting in a room of the establishment, they attempted to open a window in order to get air, but it was closed as often as it was opened, the proprietor asserting to others as his reason for so doing, that he did not wish any one to see that there were colored men on his premises. The Alderman then offered a resolution providing that the petition of Mr. Walburn be not granted, speaking at length in support of it. The yeas and nays were called for.

Alderman Geddings did not wish to vote until he knew more about the matter, and moved that the whole subject be referred to a committee to ascertain all particulars connected with the transaction. He was excused from voting, but when Alderman Holloway, colored, desired the same privilege, he was refused, and the privilege extended to Alderman Geddings withdrawn.

The vote was then proceeded with, resulting as follows: Aldermen Brown, Collins, Cunningham, Spall, L. F. and E. P. Wall, Mackey, Hampton, McKinlay and the Mayor, affirmative—10. Goddings, Voigt and Holloway, negative—3.

The application of E. H. Brodie was referred to the Committee on City Lands. The application of E. J. Symons was referred to the same committee.

The application of T. G. Simons, for the extension of Hyman's estate, was read, and the amount referred to ordered to be paid.

BILLS.

Alderman Voigt moved the first reading of the bill to amend the bill to appraise the rateable property of the city, as follows: "An ordinance to appraise the rateable property of the City of Charleston, and for other purposes," ratified on the 21st day of September, A. D. 1869, be amended as follows: strike out the first sentence and insert in lieu thereof the following: "That for the purpose of taxation, all real estate shall be appraised uniformly and at the actual value thereof."

The motion was granted, and the bill read the first, second and third times, and ordered to be engrossed for ratification at the next meeting.

Alderman Mackey moved that the bill to amend the Lumber bill be read by its title, which was done.

Alderman Small, colored, offered a resolution providing substantially, that all of the city printing not already contracted for be done at the office of a Radical paper.

Alderman Mackey moved that the Committee on Printing be instructed to advertise for proposals, as it was the duty of Council to advertise for proposals to do the work, which involved an expense of from \$5000 to \$7000 per annum; that so far as he knew there might now be proposals for the city printing.

Alderman Cunningham favored the adoption of Alderman Small's resolution.

After an exciting debate, the resolution was amended slightly and adopted.

Alderman Mackey offered a resolution providing that the wood-sawyers after the 1st of October, be made to take out a license, or be fined \$10; and that the price to be charged by them for sawing wood be not more than one dollar per cord.

Alderman Small, colored, I want to know something about this resolution; it says that every man who saws wood within the limits of the city must take out a license or be fined. Now I oppose it, as it prevents any citizen from sawing wood without paying for it; how is that?

The matter was explained to the Alderman, and the resolution adopted.

Council then, on motion of Alderman Mackey, at a quarter of ten o'clock, adjourned.

The cripple, who stole money from a negro, whom he asked to tie a bundle for him, was sentenced to thirty days' imprisonment in the House of Correction.

The bootblacks, it is reported, will shortly petition Council to require all parties engaged in their line of business to take out a license.

The City Treasurer gives notice that only two days remain in which to pay the third instalment of the tax on real estate for the year 1869.

What was left of the locomotive W. C. Duke, which was shattered in the Congaree Swamp on last Saturday week, was brought to the city yesterday.
